

# Open Geospatial Consortium (OGC) North American Open Standards Exposition

Posted by [Leah T Bannon](#)<sup>[1]</sup> on Friday, July 6, 2012

[From the event website:](#) <sup>[2]</sup>

The purpose of this event is to promote the implementation of Open Geospatial Consortium (OGC) Standards in Web Service applications by DoD, Intelligence Community, and Civil Agencies of the federal government - benefits include:

- Faster application development with great flexibility
- Efficient transition to acquisition and operational use
- Cross-platform interoperability

Time: 9am-3pm

Location: Oracle Reston Campus, 1900 Oracle Way, Reston, VA 20190

Exposition hosted by Oracle.

## Event Date:

Wed, 09/19/2012
